

To Our BIS Community,

We are not aware of any participant of the BIS community coming into contact with the COVID-19 Virus and have not received any reports regarding infected participants. However, out of concern for our members, Boulder Indoor Soccer will be suspending all activities and shutting down temporarily.

This has been an extremely difficult decision to make and we apologize to all our customers that have planned to continue playing at our facility during this unprecedented time.

All leagues and programs will be temporarily postponed and will restart when the facility reopens. All Adult league Winter II games will be rescheduled. If the situation allows, we plan to resume all programs including BIS Academy, SoccerTykes and begin the new Spring I 2020 Adult league season.

We will continue to monitor the situation and provide updates through our website and email announcements. We thank you for your patience and continued support. We hope that everyone stays safe.

Sincerely,
Boulder Indoor Soccer Management
