## CAMP PHILOSOPHY

Our Summer Soccer Camps are now heading in to their 18th year! The camps give players a full week of training, utilizing experienced and licensed coaches. Boulder Indoor Soccer's Owner and Director of Coaching, Peter Ambrose, former Head Coach of Colorado Rapids U-23 USL/PDL team, and his staff provide professional training sessions for all ages. BIS Staff coaches will teach each player the technical skills of soccer, along with match related activities and small sided games.
